<b>Home Program(s):</b> MPP	<b>Batch/Academic Year:</b> 2023-2025	
<b>Course Lead:</b> Dr. Faizan Mustafa	<b>Assigned T/RA:</b>	

### Course Description

The human rights discourse is accepted by practically every government. A state can hardly portray itself openly as a violator of human rights. But how do we turn this discourse into public policy? This course will help propose the tools and apply them to the public policy cycle, which can be given additional substance by unpacking the obligations, essential elements, and cross-cutting principles of human rights.

### Learning Objectives

1. How can we approach Public policy through the lens of Human Rights and inclusive development?
2. How does the right to development overlaps the Indivisibility of Human rights as a policy imperative?
3. How to develop a Practitioners Approach to Public Policy?
4. How to identify a direct and relational vulnerabilities associated with policy making?

### Course Outcomes

On successfully completing this course, students will be able to:

1. Understand the interrelation between Development, Human rights and Public Policy
2. Be able to analyze evidence-based policy making through a normative framework
3. Be able to write a public policy paper
4. Be able to apply the Human rights approach in different policy settings
5. To gain Adaptive experience, Reflexivity, and Experiential Learning through a Public

Policy Simulation.
